## Benson Items.

BENSON, Aug. 7, 1899.

The Misses Frank bid adieu to our  
burg last week, and they carry with  
them the good will of the community.

Last Friday the Benson nine with  
their fair escorts visited St. David, met  
the sturdy Brighamites and vanquished  
them. Pitch hay boys; the elusive ball  
is hard to catch!

Mr. Taylor, the genial night operator  
at the S. P. depot, has been transferred  
to Tucson. Mr. and Mrs. Taylor were  
highly esteemed while in our midst and  
bear away with them the good will of  
their numerous friends.

The Misses Annie and Rosa Stein of  
Bisbee, are the welcome guests of Mr.  
and Mrs. Sam Friedman. The young  
ladies are having a splendid time and  
are making a host of friends by their  
frank and genial manner.

Service was held by Rev. D. Roberts  
in the Methodist Episcopal church last  
Sunday morning and evening. The  
Sunday school is in a flourishing con-  
dition and reflects great credit upon the  
faithful superintendent and officials.  
May the good work go on.

Dr. Lorenzo Doido, physician and  
surgeon, is located for the present in  
our midst. He and his amiable wife  
hail from San Francisco. The doctor  
came here in answer to a call made by  
the agent of the S. P. railroad. Benson  
can now boast of two resident physicians  
and but very little sickness.

The church social held last Thursday  
evening at the K. of P. hall by ladies  
interested in the welfare of the M. E.  
church, was a decided success. Be-  
tween forty and fifty dollars was taken  
in during the evening. All praise to the  
faithful workers. Rumor has it that  
they will have another in the near  
future.

Mr. Frederic, who formerly was as-  
sociated with Mr. Mosley the Bisbee  
contractor, is dangerously ill. Medical  
aid is being rendered and friendly hands  
minister to his wants. It has been  
thought best to remove him to Mr.  
Castenada's hotel. Mr. Frederic has  
the sympathy of the community during  
his illness.

Last Wednesday night the store of  
citizen Castenada was burglarized and  
a quantity of goods stolen. A clew being  
found, Constable Schilliam and aides  
raided some Mexican houses in the  
suburbs and found a quantity of the  
stolen property. Some arrests have  
been made and more are expected.  
Benson appreciates its sturdy official.

Boring for artesian water will soon  
commence in our town. One of our  
enterprising citizens is backing up this  
enterprise with cash while three citi-  
zens of St. David will furnish the  
muscle and boring machinery as their  
part of the compact. It is the present  
intention to go down at least a thousand  
feet if water in sufficient quantities is  
not obtained before that.

## A Night Of Terror.

"Awful anxiety was felt for the wid-  
ow of the brave General Burnham of  
Machias, Me., when the doctors said  
she could not live till morning" writes  
Mrs. S. H. Lincoln, who attended her  
that fearful night. "All thought she  
must soon die from Pneumonia, but she  
begged for Dr. King's New Discovery,  
saying it had more than once saved her  
life, and had cured her of Consumption.  
After three small doses she slept easily  
all night, and its further use completely  
cured her." This marvelous medicine  
is guaranteed to cure all Throat, Chest  
and Lung Diseases. Only 50c and \$1.00.  
Trial bottles free at the Bisbee Drug  
Store and Copper Queen Co.

Deputy U. S. Marshal Graham left

him the three Mexican smugglers, re-  
cently bound over to appear before the  
U. S. grand jury by Court Commissioner  
Williams.

delightful herb drink. Removes all  
eruptions of the skin, producing a per-  
fect complexion, or money refunded. 25

Drug Store.

James Reese, the Congress boarding  
house man and former Tombstoner,  
came in on the train last evening, and  
was shaking hands with his many old  
acquaintances. He left this morning  
for the Cobre Grande properties in  
Sonora.

Experience is the best teacher. Use  
Acker's English Remedy in any case of  
coughs, colds or croup. Should it fail  
to give immediate relief money re-  
funded. 25 cts. and 50 cts. Sold by J.  
S. Williams & Co.

Quite a number of our subscribers,  
who have received bills, have remitted;  
but, we reluctantly admit, these form  
only a small fraction of those who ought  
to have responded and have not done  
so. We would urgently request a speedy  
remittance. We repeat, the existence  
of this paper depends upon its patron-  
age, as we have no capital to "back" it.  
Please delay no longer.

"Our baby was sick for a month with  
severe cough and catarrhal fever. Al-  
though we tried many remedies she  
kept getting worse until we used One  
Minute Cough Cure,—it relieved at once  
and cured her in a few days."—B. L.  
Nance, 17th. High School, Buffalo,  
Texas. Copper Queen store.

The regular train was an hour late to-  
day, owing to the connections made at  
Benson.

Just received, a nice line in dinner  
sets in decorated china ware, at B. F.

A shooting scrape occurred at Pock-  
ard's ranch, on the river, yesterday  
morning, between two Mexicans. As a  
result Gayino Villa is suffering from the  
effects of having a 44 Winchester ball  
pass through his leg and also through  
his abdomen, and Francisco Delardo is  
now in the land of manyana. He was  
seen making lively tracks for there yes-  
terday.

A Hungarian by the name of Dayer-  
kosen robbed a church box in San Fran-  
cisco the other day of 30 cents. He was  
caught and sentenced to imprisonment.  
Two days later the man was notified  
that he had been left heir to a fortune  
of \$300,000 by his mother-in-law. This  
happy sequel to an arrest should not,  
however, encourage others to pilfer  
church boxes. All mothers-in-law are  
not so accommodating.

## Played Out.

Dull headache, pains in various parts  
of the body, sinking at the pit of the  
stomach, loss of appetite, feverishness,  
pimples or sores are all positive evidence  
of impure blood. No matter how it be-  
comes so it must be purified in order to  
obtain good health. Acker's Blood  
Elixir has never failed to cure Scrof-  
ulous or Syphilitic poisons or any other  
blood diseases. It is certainly a wonder-  
ful remedy and we sell every bottle on  
a positive guarantee. Sold by J. S.  
Williams & Co.

## A New Advertisement.

What is Policy? Policy consists of  
78 numbers, placed in the Golden Wheel  
of Fortune; twelve of which are drawn  
out by a blindfolded boy, and these  
twelve numbers are the winning num-  
bers for that drawing. One number  
pays 5 for 1 and is called Day number;  
2 numbers pay 20 for 1, and is called a  
Saddle; 3 numbers pay 200 for 1 and is  
called a Gig. For further particulars  
or any information wanted call on or ad-  
dress: The Arizona Policy Association,  
Shattuck's Saloon, Bisbee, Arizona.

## Toothache Suffering

is very real. That which  
you think awaits you in the dentist's  
chair is all imaginary.  
People forget that old-time de-  
tails with their barbarous instrument no  
longer exist. Modern dentistry, as prac-  
ticed by us, is a painless, scientific  
method of tooth preservation.  
Let us attend to your teeth as you  
there is the slightest symptom any-  
thing wrong, and you'll always have  
good teeth.

DR. W. K. CHAMDS,  
Chisholm Building.

## COPPER IS THE METAL.

The Cochise Copper Mining Company,  
Bisbee, Arizona.

This company owns a very valuable  
group of mines situated in Warren  
mining district, county of Cochise,  
Arizona, lying immediately east of and  
adjoining the town of Bisbee, and ad-  
joining the property of the Copper  
Queen Consolidated Mining company  
on the north. The latter company has  
been in operation for about twenty  
years, and employs about 1,500 men  
daily in the operation of its mammoth  
mine and smelters, and as a result  
has produced copper to over 34,000,000  
pounds during the year 1898, and the  
net proceeds of such production are  
reported to have been over \$2,000,000,  
and it has been said by experienced  
miners who have been under its em-  
ploy for years, that the Queen mine  
now has sufficient ore in sight to keep  
it in constant operation for the  
next twenty years without further de-  
velopment.

Is it not reasonable to believe that  
the property of the Cochise company is  
fully as valuable, when it is within  
such close proximity to such a won-  
derful mine?

The blasts set off in the underground  
workings of the Queen property can  
easily be felt and heard at the shaft of  
our mine, and oftentimes the concussion  
has attracted marked attention.

The original owners of these valu-  
able mines are local business men, well  
and favorably known in Bisbee and  
surrounding vicinity, who are doing  
their utmost to make this enterprise a  
success in every respect. The board of  
directors are original owners, and are  
donating their services to the com-  
pany until such time as the mine will  
pay dividends. They own the con-  
trolling interest in this property, and  
as a protection to stockholders have  
placed their entire interest in escrow  
for a term of one year.

The stock books of our company are  
now open for subscriptions, and a lim-  
ited number of shares are offered at  
ten cents per share. No application  
for less than 100 shares will be ac-  
cepted.

The company reserve the right at  
any time to advance the price of shares  
without further notice, or to reject any  
application for stock at their discre-  
tion.

Every cent received from the sale of  
stock will be expended toward the de-  
velopment of our property and the  
erection of hoisting works, and all  
other necessary improvements, and to  
make our enterprise a success in every  
particular.

We invite investigators and their  
experts or their engineers to closely  
scrutinize our property.

Applications for shares may be made  
to any of the directors of the com-  
pany, or to any of our legally author-  
ized representatives.

J. MUHEIM, Supt. & Treas.
